 2nd L11	0	n/a	n/a	0	n/a	

Fundations (K-2)

A structured literacy program designed to support early literacy development, particularly in the area of phonics and phonemic awareness.

- A structured literacy program emphasizing early phonics and phonemic awareness.
- A multisensory approach, engaging students visually, auditorily, and kinesthetically for effective learning.
- Fundations covers phonics, spelling, and handwriting, providing a holistic approach to literacy.
- Research-Based

Heggerty

Whole class approach to phonemic awareness in primary and junior Classrooms.

- Heggerty enhances early literacy through focused activities on spoken language sounds.

8-12 minutes / day

24-35 weeks

When to Consider Tier 2 Interventions?

- When students exhibit difficulties with learning specific academic content, we provide a more focused, or “Tier 2” support, which are a more specialized targeted intervention program.
 - ◆ We identify this through specific assessments such as our universal screener called Acadience, Foundations unit tests, Lexia, and classroom observation and assessments.

Tier 2 Instruction

→ Distinguishing characteristics:

- ◆ It is evidence-based
- ◆ It relies entirely on adult-led small-group instruction rather than whole-class instruction.
- ◆ Implemented with fidelity (Implemented the same to everyone - Scripted)
 - The instructional programs are not different - They are aligned with the same Tier 1 instruction. It is important that students are experiencing the same instructional methods, they are working on the same skills, the same routines, the same vocabulary and the same scope and sequence.
 - Simply an extra dose (Additional learning opportunities)

Tier 2 Literacy Programs

Tier 2 Intervention

- Foundations intervention package
 - ◆ This is built into the Wilson Academy website for students that require additional support/intervention for specific skills. These can be printed off and delivered in small groups as needed.
- Heggerty Bridge the Gap
 - ◆ This is for grades 2-5. It is a more focused instruction in small groups for students who require additional support in phonemic awareness
- Lexia
 - ◆ Blended model of literacy instruction. Lexia can be used for all tiers.

Tier 3 Intervention

A more intensive version of the intervention program used in Tier 2 (e.g., longer sessions, smaller group size, more frequent sessions).

Support Transition Classroom (Alternate Working Space)

Provides an individualized, targeted, learning program where transition, communication, and learning supports are developed and tailored to support students.

Goal:

To increase a learner's ability to participate in the regular classroom setting, as they gain the skills, strategies, and confidence to navigate their learning environments.

- Academic
- Sensory (OT, PT Goals)
- Behavioural (Zones)

Empower™ Reading Grades 2-5, Decoding & Spelling Program

- Intended for students who are in grades 2 to 5 and struggling with acquiring age-appropriate word identification, decoding and spelling skills.
 - Empower teaches five metacognitive decoding and spelling strategies and how to apply them to words they cannot read or spell.
 - There are 110 lessons.
 - The strategies are taught in sequence and are practiced on words presented individually and in connected text to ensure mastery.
-

Zones of Regulation

What are the Zones?

- Zones of regulation is a systematic, cognitive behaviour approach used to teach self-regulation by categorizing all the different ways we feel and states of alertness we experience in 4 concrete zones.
- Zones are used to teach students to become more aware of controlling their emotions and impulses independently. In each zone, students are taught specific tools to use so they can improve their ability to problem solve, self-regulate and return to the green zone.

Some students have treasure boxes with happy thoughts, or tools to get their bodies ready to focus to get back to learning.

Blue: Sad (Talk to someone)

Red: Angry (Bubbles or Pinwheel Fans to help take deep breaths)

The ZONES of Regulation™ Reproducible E The Zones of Regulation Visual

The ZONES of Regulation™

			
			
BLUE ZONE	GREEN ZONE	YELLOW ZONE	RED ZONE
Sad Sick Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Relaxed	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Terrified Elated/Ecstatic Devastated Out of Control

Intensive Support Transition Classroom (ISTC)

Provides an individualized, targeted, learning program where transition, communication, and learning supports are developed and tailored to support students.

Goal:

To increase a learner's ability to participate in the regular classroom setting, as they gain the skills, strategies, and confidence to navigate their learning environments.

Universal Protocol - (PBIS Lead)

1. Show continuous positive regard and empathy.
2. Enrich the environment.
3. Follow the client's lead to the extent possible.
4. Invite the student to participate in scheduled activities.
5. Limit non-essential demands.
6. When presenting essential demands, make them less aversive.
7. Upon the first instance of problem behavior or an indication problem behavior is likely, immediately provide access to all reinforcers.

Ministry of Education – Parent Resource

Your Child's Education

A parent guide to Ontario's school system

Your voice is important in your child's learning, and can make all the difference in their academic and personal success. When parents play an active role in their child's education, students are inspired to achieve their full potential.

Ontario is committed to increasing accountability and transparency for parents and families. **Here are ways you can actively participate in your child's education journey:**

- Decide which type of publicly funded school they attend
- Choose learning options, for example, secondary school programs e.g. Specialist High Skills Majors
- Follow what your child is learning in school
- Learn about key dates in the school year
- Opt out of certain learning
- Know how your child is doing in school
- Learn about suspension and expulsion processes
- Attend a school council meeting or parent involvement committee meeting
- Know about specialized supports to help all children succeed

Visit ontario.ca/EducationGuide for more information so you can make informed decisions about your child's education.

ontario.ca/EducationGuide

Summer Learning Program

- Planned dates are July 2nd - 19th
- An administrator has been hired
- Will proceed pending staffing

Curriculum Revisions for the 2024-2025 School Year

As communicated on December 5, 2023, the ministry is preparing the following curriculum revisions for implementation in the 2024-2025 school year:

1. A new de-streamed Grade 9 Geography course;
2. New Grades 9 and 10 Business Studies courses;
3. New Grades 9 and 10 Technological Education courses;
4. A new Grade 9 English course for French-language schools; and
5. New mandatory learning on mental health literacy in the Grade 10 Career Studies course.

FIREFLY report

KCDSB SEAC mtg

March 8, 2024

- Right time, right care planning started with five school boards and KRR- CFS
- A new partnership initiative with KRR-CFS Valley Drive group home has been formed in order to provide enhanced mental health services and to support their team of caregivers
- FIREFLY attended the STAHS job fair
- Registration was open for the regional virtual triple P and group teen triple P parenting sessions.

**KACL (Kenora Association for Community Living)
Children's Services Update Report- SEAC**

March 8th meeting

We are currently offering a COSP program to community and had 17 people register. We hosted our second session last night and will be resuming after March break for 2 more evening sessions.

We are excited to announce a future partnership with Firefly and offer an 8 week in person COSP program. Stay tuned for more details (how to register).

We followed up on Andrea Batters suggestion from the last SEAC meeting regarding the Ontario's Human Development and Sexual Health curriculum and have Mariette M coming to speak with us. Thank you, Andrea, for the connection.

SEAC Report
By Special Education Coordinator

SUBJECT:	Special Education Coordinator's Report – March 2024
DATE:	Friday, March 8, 2024
PREPARED FOR:	Special Education Advisory Committee
AGENDA AREA:	Public Session
PREPARED BY:	Andrea Batters, Special Education Coordinator

Assistant to the Director, Maureen Frankcom and I attended the virtual **Regional Special Education Committee (RSEC) meeting** on **Monday, February 26**. The RSEC is a network of those who lead special education in their northwestern Ontario school boards. Members meet three times a year to gather and share information relating to Special Education priorities in our region. Discussion and presentation topics included:

- A [Learning Disabilities Association of Ontario](#) presentation by Martin Smit. Martin is the English Language consultant for the [LD@School](#) branch of this organization. His presentation shared school and home resources about Learning Disabilities that we have passed along to KCDSB school teams.
- A **Northern Adjustment Funding** update from the project lead Rick Boisvert. Information on the budget and reporting updates was shared.
- A **Ministry of Education Update** from Charmaine Perera, Acting Director for Special Education and Student Success Branch. She provided
 - Information about the three units in the branch (Financial, Strategic Policy & Programs, and Special Education Policy & Programs),
 - An update on the Developmental Disabilities Pilot for Student Transitions (“Project Serve”) and Barrier Reduction special projects, and
 - An update that the Grants for Student Needs (GSN) funding and support roll-out is upcoming.

Charmaine encourages RSEC members to share feedback with their local ministry officers, as they meet with the provincial team weekly.

- A **Modernization of Preschool Speech & Language Services and Children's Rehabilitation Services** presentation from George Jeffery Children's Treatment Centre & Children's Centre Thunder Bay.

The last RSEC meeting for the 2023-2024 school year is scheduled for May 2-3, which will take place in Thunder Bay.
